Quick Facts

- 1) 697 athletes were tested as part of the IAAF out-of-competition (OOC) programme in 2008
- 2) The IAAF conducted 1823 Out-Of-Competition tests in 2008. Further details are available on the IAAF website
- 3) 106 athletes received "4 or 5" OOC tests, 46 received "6 or 7" , and 17 received "8 or more".
- 4) The most number of IAAF OOC tests on one athlete in 2008 was 14
- 5) The top 20 most tested countries in order were;

Russia (181), Belarus (148), China (126), USA (121), Jamaica (101), Morocco (101), Kenya (90), Greece (87), Ukraine (73), Ethiopia (71), Spain (58), Bulgaria (38), Cuba (37), Slovakia (35), Romania (31), France (31), Bahrain (29), Poland (28), Germany (27), Hungary (27)

Note: The IAAF aims to conduct a large part of its testing programme in countries who do not currently have an established and functioning National Anti-Doping Organisation (NADO). In countries where a NADO does exist, the IAAF looks to cooperate and coordinate testing. These testing numbers do not include testing conducted domestically by the relevant NADO, nor by the IOC prior to the Beijing Olympic Games
